

## **Miss Laeticia's Competitive numbers -Costume and Makeup requirements 2018**

\* All Ballet costumes with any sort of tutu needs to be steamed prior to competition, whether you do it yourself or get it done professionally. There is a steamer in Studio 4 available to use if needed. I will leave it in the hallway. :)

\*All groups will be wearing earrings and can be purchased from the dance studio. Both the clip ons and regular earrings are available.

\*You can purchase ballet pins (different than regular bobby pins) made for buns at Dance Street.

\*Please remember to use hair gel , hairspray and hair net for your bun. TIP:Using a spray water bottle to spray on dry hair with the hair gel could be very helpful for your bun.

\* Both the Red and Plum lipstick colors are available at the studio for purchase.

\* All hand props and chairs will be transported by Miss Laeticia or the studio, unless other arrangements have been made.
