

Frequently Asked Questions and Drop Off Procedures

Hello Dance Families,

All of us at Pure Energy Dance co. want to make sure you feel ready and comfortable heading into our dance season. I am including information to our most frequently asked questions. I am happy to answer any additional questions you may have, so please feel free to email us at pureenergy@sasktel.net or call Karrie-Ann @ 306 290-5152.

Use of masks

We are a mask friendly dance studio. You are welcome to wear a mask, though it is not required.

What's the difference between Non-Competitive Classes, Competitive Classes, and Session Classes?

Non-Competitive Classes run from September to May and students participate in our year end recital at TCU Place in June. Students in non-competitive classes learn a dance to perform at the recital, but do not compete at dance competitions. Students will wear a dance costume for the recital, therefore there is a costume fee associated with the class.

Competitive Classes run from September to May and students participate in our year end recital at TCU Place in June. Students also participate in 2 dance competitions per year between the months of March-May. One competition typically takes place in or close to Saskatoon, and another competition is in Alberta. Competitive classes start at the age of 7. *A third competition may be considered.

Session Classes are select classes that run from September-December and January-March. You can choose to register for the Fall session or the Winter session, or both. This is an option for families who do not want to commit to classes that run for our entire dance season of September to May. Session classes do not have a year-end recital dance. Session classes do not require a costume, therefore there are no costume fees. Students who register for session classes can transfer into the non-competitive class if they decide they want to continue all year.

When Do Classes Begin?

Classes begin the week starting Tuesday, Sept 6th.

How Can I View Which Classes I Have Registered For?

After logging onto your account, click on the 3 horizontal bars on the top left and select "View all classes".

How Can I Switch Classes or Cancel a Class?

If you need to cancel a class or if you accidentally registered in a wrong class, please send an email to pureenergy@sasktel.net and we can delete and switch classes for you.

How Do I Make a Ballet Bun?

If this is the first time learning how to do a bun, please do not worry if it is not perfect! You will get better at it with practice. The bun should be placed at the crown of the head (where the top of the head and the back of the head meet). It is your choice if you would like to use an accessory such as a bun maker (doughnut) or not. Please make sure the student has a couple hair elastics and straight pins (hair pins) in their dance bag in case we need to help with a bun.

There are many tutorials on YouTube. For your convenience, I have selected some for you to view.

What to Expect When You Arrive at The Studio:

Parking – Parking is available any where on the lots in front of our building and behind our building, except for where there are “No Parking” signs posted. The parking lot is busy so please watch for pedestrians and traffic entering/exiting the Tim Horton’s drive thru.

Outdoor shoes: We have shoes racks outside our front lobby entrance that can be used for outdoor shoes, however, if possible, students should place their shoes in a plastic bag (please supply your own) and put them in their dance bag or place them under the benches inside the studio. This is to avoid any congestion at the shoe racks. Please DO NOT wear expensive footwear to the studio – shoes sometimes go missing.

Drop Off Procedures:

For families of 1.5 - 4-year-old dancers:

A Parent/Guardian will bring their child up the stairs and enter our lobby area where a teacher or studio associate will come greet you and your child and take him/her to class.

If you are in the Creative Movement class for 1.5 - 2-year-olds, one parent/guardian will participate in the class with their child.

We allow parents/guardians of 3 – 4-year-olds to stay in our waiting area, however, you can leave during your child's class if you would like. We totally understand the need for some children to have their parents stay.

We ask that students come dressed for class with a small bag for their dance shoes, a plastic bag to put their outdoor shoes in, and a leak-free water bottle that has been filled at home. Please make sure students have gone to the bathroom before class.

For families of 5 - 6-year-old dancers:

A parent/guardian will bring their child up the stairs and enter our lobby area where a teacher or studio associate will come greet you and your child and take him/her to class. We encourage parents to drop off their children and pick them up at the front lobby area no later than 5 minutes after class. There is a waiting area if you prefer to stay.

We ask that students come dressed for class with a small bag for their dance shoes, a plastic bag to put their outdoor shoes in, and a leak-free water bottle that has been filled at home. Please make sure students have gone to the bathroom before class.

For families of 7 + year old dancers:

We encourage parents to drop off their children and pick them up at the front lobby area no later than 5 minutes after class. There is a waiting area if you prefer to stay.
